HOUSTON--(BUSINESS WIRE)--May 22, 2019-- Beazer Homes and Taylor Morrison, leading national home builders, are excited to announce their partnership in the development of Morgan's Landing, the first master-planned community in La Porte, Texas. This joint development is planned for 642 home sites and will offer distinct floor plans on 45, 50, and 60-foot home sites, priced from the low \$200,000s.

"This will be an exciting community for the residents of La Porte," said Amy Rino, president of Taylor Morrison's Houston division. "Morgan's Landing will give us the opportunity to showcase the best of what Taylor Morrison has to offer La Porte homebuyers, including floor plans that have been designed and updated based on extensive customer research to create some of our most innovative homes yet."
