

Beazer Homes Hosts Grand Opening Event for Much Anticipated Models at the Cove in Sacramento

November 14, 2019

SACRAMENTO, Calif.--(BUSINESS WIRE)--Nov. 14, 2019-- Beazer Homes, one of the nation's largest homebuilders, is excited to announce its newest community, [Windrow at The Cove](#), with homes starting from the low \$400,000s. The grand opening will be held Saturday, November 16 from 11 a.m. to 2 p.m. The festivities will feature tours of beautiful model homes, gourmet catering, desserts, and refreshments in the 80-acre master-plan community under development in Sacramento. Providing an amenity-rich lifestyle, The Cove features four distinct neighborhoods, each with architectural highlights and intelligent design. This master-plan will be home to 590 residences, offering trendy single-family and townhome living.

Windrow is the second neighborhood to open at The Cove, featuring detached homes with approximately 1,567 to 1,960 square feet, with three bedrooms, two and a half baths, and two-car garages. Windrow residences are alley loaded floorplans with open living rooms off gourmet kitchens, covered patios for entertaining, and exteriors which showcase urban charm and earthy textures in various color choices. The streetscape is reminiscent of historical California neighborhoods with uninterrupted pathways blending into the landscape.

"Windrow was designed as an ideal location for first-time buyers, young professionals, or for buyers looking to make things a little simpler. It's less than three miles from downtown and provides easy access to the Bay Area, Napa and South Lake Tahoe," said Laura Stickelman, Sacramento division president. "The Cove will bring much needed housing to this area of Sacramento and residents will enjoy a unique lifestyle that combines downtown living with a suburban lifestyle."

The hub of the community is Cornerstone, an exclusive clubhouse with a state-of-the-art fitness room, multi-purpose lounge, an outside living area with fireplace, and a junior Olympic-size pool. Connected by walking and bike trails in and around the community, Cornerstone is adjacent to an upcoming public neighborhood park with play area, covered seating, and a half-court basketball court.

With the addition of this parcel to Beazer's land portfolio, the Company now has ten communities in various stages of development across the Northern California metro area.

Windrow at The Cove is located at West El Camino and Orchard Lane just north of downtown Sacramento. For more information, please call (916) 420-0197 or visit [beazer.com](#).
