Announcing Beazer Homes Stonehaven Grand Opening Saturday, August 12

August 7, 2023

SACRAMENTO – August 7, 2023 – Beazer Homes, one of the nation's largest home builders, is excited to announce the highly anticipated grand opening of three brand new model homes at Stonehaven in the Vineyard area of Sacramento on Saturday, August 12 from 11 a.m. to 2 p.m. Enjoy a summer luau grand opening with catered Hawaiian-style appetizers and swing by the popular AnuAnu SnoBallz shaved ice truck (recently featured on Good Day Sacramento) to celebrate. Get ready to “meet” your new neighbors, stroll the models, and learn about the good life when you buy with Beazer Homes.

The newest Sacramento community will feature a total of 90 single and two-story homes with living space ranging from 1,683 to 3,237 sq. ft. Located within the top-rated Elk Grove Unified School District, this community provides easy access to shopping, dining & recreation, and is walking distance to Jimmy R. Yee community park.

Homebuyers can choose from five exquisitely designed floorplans with fashionable design elements such as spacious entryways, large kitchens, large bedrooms, and an optional 3-car tandem garage or live-in suite, perfect for your overnight guests or multigenerational living. All new Beazer homes are built Network Ready, so new homeowners are immediately ready to get connected to their preferred technology and internet provider the day they move in. In addition, buyers are given the flexibility of Beazer's Choice Plans®, which provide the option to choose room-specific layouts to create their ideal living space, all at no additional cost.

Beazer Homes designs each home to provide more quality, more comfort, and more savings from the moment homeowners move in. Beazer calls it Surprising Performance—the result of experienced people, industry-leading processes, and high-caliber materials coming together to build high-performing, energy-efficient homes that save homeowners money every month.

Additionally, Beazer offers Mortgage Choice, with modern technology for buyers to easily compare multiple lenders and loan offers. Lenders compete for business, each offering outstanding customer service, diverse home loan programs, and competitive rates. Customers save thousands and enjoy great service when lenders compete, and customers compare and choose the right mortgage for their needs.
