January 12, 2022

PHOENIX– January 12, 2022 – Beazer Homes, one of the nation’s largest home builders, has opened presales for Cassia at Vistancia, its newest community in Peoria, Ariz. Cassia will feature 51 single-family one-story homes on lots averaging 5,750 square feet. Beazer’s Cassia will be the final community built in the popular Village at Vistancia development best known for its wide range of exciting activities and experiences.

“This community has something to offer every family,” says Ryan Johnson, president of Beazer Homes in Phoenix. “Cassia is backdropped by the beautiful foothills landscape and connected to miles of trails for walking, biking, and exploring. We’re excited to begin presales and create a new opportunity for buyers to find their dream home and start enjoying the vibrant lifestyle found here in The Village at Vistancia.”

Situated in Maricopa County’s top-rated school district, Cassia is within walking distance of the elementary school and features a three-mile multi-use discovery trail, two resident clubs offering year-round classes and activities, and just a short drive from Lake Pleasant Regional Park.

Cassia will offer four single-family one-story floorplans: the Pinehurst at 1,843 sq. ft., the Shiloh at 1,942 sq. ft., the Kendrick at 2,078 sq. ft. and the McDowell at 2,285 sq. ft. Each plan features homebuyer must-haves like open-concept kitchens, covered porches, and spacious bedrooms. Buyers can further create their ideal living space with the flexibility of Beazer’s Choice Plans™, which provide the option to choose room-specific layouts with no additional cost. All new Beazer homes are built Network Ready, so new homeowners are immediately ready to connect to their preferred technology and internet provider the day they move in.

“Cassia is located in one of the fastest-growing areas of Maricopa County,” Johnson says. “We’re proud to provide more housing options and add a range of beautiful homes with the built-in value of top-quality construction we’re known for.”

Beazer Homes designs each home to provide more quality, more comfort, and more savings from the moment homeowners move in. Beazer calls it Surprising Performance—the result of experienced people, industry-leading processes, and high-caliber materials coming together to build high-performing, energy-efficient homes that save homeowners money every month.

Additionally, Beazer offers Mortgage Choice, with new technology for buyers to easily compare multiple lenders and loan offers.
