Energy-Efficient Homes Available at Beazer Homes Retreat at Rancho Mirage in Maricopa

November 26, 2024

PHOENIX – November 26 – Beazer Homes is proud to showcase the latest community of Retreat at Rancho Mirage, offering their most energy efficient homes. Featuring advanced building science practices, each home offered will be certified by the U.S. Department of Energy as a Zero Energy Ready Home™. In addition, every home is ENERGY STAR® certified and Indoor AirPlus qualified.

“The Retreat at Rancho Mirage offers homes that are helping families live healthier and more comfortably. We take air filtration and energy efficiency seriously, and hold the health and well-being of our homeowners at the heart of what we do,” said Ryan Johnson, division president in Phoenix. “We take great pride in each home – ensuring that each home is truly tested and certified through the most rigorous homebuilding program to date.”

Homebuyers can choose from five exquisitely crafted floorplans ranging from 1,683 to 2,804 sq. ft. Floorplans include popular design elements such as open-concept kitchens, spacious rooms and backyards, and covered patios perfect for family activities and gatherings. Buyers are also given the flexibility of Beazer's Choice Plans™, which provide the option to choose room-specific layouts to create their ideal living space, at no additional cost.

With a selection of homes ready for move-in day, buyers can skip the wait and start enjoying their new home sooner. Located in Pinal County's top-rated school district, Rancho Mirage also offers access to nearby parks, shopping, and dining. Homes start from the low \$300s, providing an attainable option for families in search of a sustainable, healthy lifestyle without sacrificing comfort.
