March 20, 2025

Over 1,000 Beazer Homes Employees Volunteer Across 17 Cities, Supporting 50 Local Nonprofits and Culminating in a Charity Race Raising \$3M for Fisher House Foundation

ATLANTA--(BUSINESS WIRE)--Mar. 20, 2025-- Beazer Homes, one of the nation's leading homebuilders, has taken its commitment to giving back to new heights. On Friday, March 14, nearly all of Beazer's employees, along with partners and suppliers, united across 17 cities for the company's National Day of Service. This nationwide effort demonstrated Beazer's dedication to not just building homes, but also fostering thriving and healthy communities.

Volunteers lent a hand to a wide range of local nonprofits, with a special focus on Fisher House Foundation, a nonprofit that provides free housing for military service members, veterans, and their families during medical care. Beazer's support extended beyond volunteering, with months of preparation leading up to the Rock 'n' Roll road races in Washington, D.C. Employees, their families, and partners participated in the event, which served as a fundraising initiative for Fisher House Foundation. The efforts of these participants, in conjunction with the resources of the Beazer charity Foundation, resulted in a total gift of more than \$3 million.

"This Day of Service and the subsequent fundraising through the Rock 'n' Roll races reflect Beazer Homes' unwavering commitment to both community well-being and military families," said Ken Fisher, chairman and CEO of Fisher House Foundation. "We are incredibly grateful for the support of Beazer's team, who have shared their time, talents, and resources to help honor and serve our military and veteran communities."

Beazer's CEO, Allan Merrill, was also active in the race and has been a driving force behind the company's Day of Service since 2017.

"For Beazer Homes, this event is about more than just charity, it's also about bringing our communities together and celebrating wellness," Merrill said. "Our employees' passion and dedication are evident in their hard work, and this event is a powerful reflection of our company's culture. At Beazer, we don't just build homes; we build communities that inspire sustainability and healthy living."

In addition to supporting Fisher House Foundation, Beazer's volunteers worked with a variety of other local organizations across the 17 cities, including:
