

BEAZER HOMES

Beazer Homes Names Kenneth F. Khoury Executive Vice President and General Counsel

January 6, 2009

ATLANTA--(BUSINESS WIRE)-- Beazer Homes USA, Inc. (NYSE: BZH) (www.beazer.com) today announced the appointment of Kenneth F. Khoury as Executive Vice President and General Counsel.

Most recently, Mr. Khoury was Executive Vice President and General Counsel of Delta Air Lines from September 2006 to November 2008. Practicing law for over 30 years, Mr. Khoury's career has included both private practice and extensive in-house counsel experience, including 15 years with Georgia-Pacific Corporation, where he served as Vice President and Deputy General Counsel. He received a Bachelor of Arts degree from Rutgers College and a Juris Doctor from Fordham University School of Law.

Ian McCarthy, President and Chief Executive Officer said, "We are extremely pleased to have someone of Ken's caliber join the executive team at Beazer Homes. His depth of experience managing a broad array of corporate legal activities across multiple and complex industries will be extremely valuable as we navigate the current challenges in the housing market. I also look forward to his contributions as we position the Company for the opportunities that we expect will arise when our markets begin to recover."

Beazer Homes USA, Inc., headquartered in Atlanta, is one of the country's ten largest single-family homebuilders with continuing operations in Arizona, California, Delaware, Florida, Georgia, Indiana, Maryland, Nevada, New Jersey, New Mexico, New York, North Carolina, Pennsylvania, South Carolina, Tennessee, Texas, and Virginia. Beazer Homes is listed on the New York Stock Exchange under the ticker symbol "BZH."

Forward Looking Statements

This press release contains forward-looking statements. These forward-looking statements represent our expectations or beliefs concerning future events, and it is possible that the results described in this press release will not be achieved. These forward-looking statements are subject to risks, uncertainties and other factors, many of which are outside of our control, that could cause actual results to differ materially from the results discussed in the forward-looking statements, including, among other things, (i) the timing and final outcome of the United States Attorney investigation and other state and federal agency investigations, the putative class action lawsuits, the derivative claims, multi-party suits and similar proceedings as well as the results of any other litigation or government proceedings; (ii) additional asset impairment charges or writedowns; (iii) economic changes nationally or in local markets, including changes in consumer confidence, volatility of mortgage interest rates and inflation; (iv) continued or increased downturn in the homebuilding industry; (v) estimates related to homes to be delivered in the future (backlog) are imprecise as they are subject to various cancellation risks which cannot be fully controlled, (vi) continued or increased disruption in the availability of mortgage financing; (vii) our cost of and ability to access capital and otherwise meet our ongoing liquidity needs including the impact of any further downgrades of our credit ratings or reductions in our tangible net worth or liquidity levels; (viii) potential inability to comply with covenants in our debt agreements; (ix) increased competition or delays in reacting to changing consumer preference in home design; (x) shortages of or increased prices for labor, land or raw materials used in housing production; (xi) factors affecting margins such as decreased land values underlying land option agreements, increased land development costs on projects under development or delays or difficulties in implementing initiatives to reduce production and overhead cost structure; (xii) the performance of our joint ventures and our joint venture partners; (xiii) the impact of construction defect and home warranty claims and the cost and availability of insurance, including the availability of insurance for the presence of moisture intrusion; (xiv) delays in land development or home construction resulting from adverse weather conditions; (xv) potential delays or increased costs in obtaining necessary permits as a result of changes to, or complying with, laws, regulations, or governmental policies and possible penalties for failure to comply with such laws, regulations and governmental policies; (xvi) effects of changes in accounting policies, standards, guidelines or principles; or (xvii) terrorist acts, acts of war and other factors over which the Company has little or no control.

Any forward-looking statement speaks only as of the date on which such statement is made, and, except as required by law, we do not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. New factors emerge from time to time and it is not possible for management to predict all such factors.
