**Item 8.01. Other Events**

Beazer Homes USA, Inc. (the “Company”) has reached an agreement with plaintiff to settle the derivative shareholder lawsuit originally filed in April 2007 in the United States District Court for the Northern District of Georgia and previously disclosed by the Company in certain of its SEC filings.

Under the terms of the proposed settlement, the lawsuit will be dismissed with prejudice, in consideration for the various enhancements made by the Company since 2007 to its corporate governance and disclosure controls, which plaintiff recognizes provides value to the Company’s shareholders. The defendants do not admit any liability and will receive a full and complete release of all claims asserted against them in the litigation. The terms of the proposed settlement also provide for the payment of an amount not to exceed \$950,000 in attorneys’ fees to plaintiff’s counsel, which will be funded by insurance proceeds. As a result, there will be no financial contribution by the Company. The agreement is subject to final court approval.

The Company has created a website that will include links to the Stipulation of Settlement and Notice of Pendency and Proposed Settlement. The website can be found at [derivativesettlement.beazer.com](http://derivativesettlement.beazer.com).
