PROXY STATEMENT**

Purpose

This Proxy Statement is being furnished to you in connection with the solicitation of proxies by the Board of Directors of Beazer Homes USA, Inc., a Delaware corporation (“Beazer Homes” or the “Company”), for use at the annual meeting of stockholders of Beazer Homes to be held on February 5, 2007 and at any adjournments or postponements thereof. Stockholders of record at the close of business on December 7, 2006 are entitled to notice of and to vote at the annual meeting. On December 7, 2006, we had outstanding 39,158,028 shares of common stock. Each share of common stock entitles the holder to one vote with respect to each matter to be considered. The common stock is our only outstanding class of voting securities. This Proxy Statement and the enclosed form of proxy are being mailed to stockholders, together with our annual report on Form 10-K (which includes audited consolidated financial statements for our fiscal year ended September 30, 2006), commencing on or about December 29, 2006.

Voting Instructions

General—Shares represented by a proxy will be voted in the manner directed by the stockholder. If no direction is made, except as discussed below regarding broker non-votes, the signed proxy will be voted:

1. for the election of the seven nominees for the Board of Directors named in this Proxy Statement;
2. for the ratification of the selection of Deloitte & Touche LLP as the Company’s independent auditor for fiscal year 2007; and
3. in accordance with the judgment of the persons named in the proxy as to such other matters as may properly come before the annual meeting.

Signature Requirements—If stock is registered in the name of more than one person, each named person should sign the proxy. If the stockholder is a corporation, the proxy should be signed in the corporation’s name by a duly authorized officer. If a proxy is signed as an attorney, trustee, guardian, executor, administrator or a person in any other representative capacity, the signer’s full title should be given.

Revocation—A stockholder giving the enclosed proxy may revoke it at any time before the vote is cast at the annual meeting by executing and returning to the Secretary of Beazer Homes (Kenneth J. Gary) at the Company’s principal office or Transfer Agent (American Stock Transfer and Trust Company) either a written revocation or a proxy bearing a later date prior to the annual meeting. Any stockholder who attends the annual meeting in person will not be considered to have revoked his or her proxy unless such stockholder affirmatively indicates at the annual meeting his or her intention to vote in person the shares represented by such proxy.

Quorum: Vote Required—The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock is required to constitute a quorum at the meeting. Shares represented by proxies which indicate that the stockholders abstain as to the election of directors or to other proposals will be treated as being present for the purpose of determining the presence of a quorum and, other than for the election of directors, the number of votes cast with respect to each proposal. Consequently, an abstention will have the effect of a vote against with respect to proposals other than the election of directors. If a broker does not receive instructions from the beneficial owner of shares of common stock held in street name for certain types of proposals it must indicate on the proxy that it does not have

authority to vote such shares (a “broker non-vote”) as to such proposals. Shares represented by broker non-votes will be considered present for purposes of a quorum, but will not be considered voted with regard to or treated as present with respect to those proposals to which it relates.

The holders of common stock will be entitled to one vote for each share they hold. In uncontested elections of directors, such as this election, each director will be elected if the votes cast for such director exceed the votes cast against such director. See the Corporate Governance section below for a more detailed description of the majority voting procedures in our bylaws and Corporate Governance Policy. The affirmative vote, in person or by proxy, of holders of a majority of the outstanding shares of common stock present or represented at the annual meeting and entitled to vote on the matter is required to ratify the selection of Deloitte & Touche LLP as the Company’s independent auditor for fiscal year 2007 by the Audit Committee of the Board of Directors.

Expenses of Solicitation

Expenses incurred in connection with the solicitation of proxies will be paid by Beazer Homes. Proxies are being solicited primarily by mail but, in addition, officers and other employees of Beazer Homes may solicit proxies by telephone, in person or by other means of communication but will receive no extra compensation for such services. In addition, Beazer Homes has engaged Morrow & Co., Inc. to assist in the solicitation of proxies. Beazer Homes anticipates that the costs associated with this engagement will be approximately \$10,000 plus costs and expenses incurred by Morrow & Co. Beazer Homes will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for costs incurred in connection with this solicitation.

MATTERS TO BE CONSIDERED

General

As recently amended, our by-laws provide that in uncontested elections of directors, such as this election, each director will be elected if the votes cast for such director exceed the votes cast against such director. See the Corporate Governance section below for a more detailed description of the majority voting procedures in our by-laws and Corporate Governance Guidelines. For other matters presented for stockholder approval, our by-laws require the affirmative vote of a majority of the shares present or represented at the meeting, unless some other percentage is required by law or by the certificate of incorporation. Please refer to page 1 of this proxy statement for voting instructions.

Following is a discussion of the matters to be presented for stockholder approval at the annual meeting:

1. ELECTION OF DIRECTORS

General

Each of the nominees listed below has been nominated as a director for the fiscal year ending September 30, 2007 and until their respective successors have qualified and are elected. Each of the following nominees is presently serving as a director of Beazer Homes. Maureen E. O'Connell will retire from the Board of Directors effective at the annual meeting and, accordingly, will not stand for re-election. We wish to express our thanks to Ms. O'Connell for her valuable service to the Company. As a result of Ms. O'Connell's retirement, the size of board has been reduced to seven members. The Board periodically evaluates the appropriate size of the Board and will set the number of directors in accordance with the Company's by-laws and based on recommendations of the Nominating/Corporate Governance Committee.

In the event any nominee is not available as a candidate for director, votes will be cast pursuant to authority granted by the enclosed proxy for such other candidate or candidates as may be nominated by the Nominating/Corporate Governance Committee of the Board of Directors. The Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve as a director, if elected.

Vote Required

Each director will be elected if the votes cast for such director exceed the votes cast against such director.

Committee composition is evaluated annually following the annual meeting and subject to review by the Board of Directors from time to time.

- The Audit Committee provides assistance to the Board of Directors in fulfilling its responsibilities related to corporate accounting and auditing, reporting practices of Beazer Homes, the quality and integrity of the financial reports of Beazer Homes, and our internal controls regarding finance, accounting, legal compliance, risk management and ethics established by management and the Board of Directors. In fulfilling these functions, the Audit Committee reviews and makes recommendations to the Board of Directors with respect to designated financial and accounting matters. The Audit Committee also engages and sets compensation for the Company's independent auditors. This committee met nine times during fiscal year 2006, and each meeting was attended in full.
- The Nominating/Corporate Governance Committee makes recommendations concerning the appropriate size and needs of the Board, including the annual nomination and screening of directors and nominees for new directors. The Finance Committee met four times during fiscal year 2006, and each meeting was attended in full.

Corporate Governance

The Board of Directors has adopted a number of measures designed to comply with requirements of the Sarbanes-Oxley Act of 2002 and rules and regulations of the Securities and Exchange Commission (the "SEC") interpreting and implementing the Sarbanes-Oxley Act, and the listing standards of the

NYSE relating to corporate governance matters, as well as other measures that the Board believes are corporate governance best practices. Among the significant measures implemented by the Board to date are the following:

Majority Vote Standard and Director Resignation Policy

In December 2006, the Board of Directors adopted amendments to the Company's by-laws and Corporate Governance Guidelines to provide a majority voting standard for the election of directors in uncontested elections. Under the majority voting standard set forth in the by-laws, director nominees will be elected if the votes cast for such nominee exceed the number of votes cast against such nominee. In the event that (i) a stockholder proposes a nominee to compete with nominees selected by the Board and the stockholder does not withdraw the nomination prior to the Company mailing the notice of the stockholder meeting or (ii) one or more directors are nominated by a stockholder pursuant to a solicitation of written consents, then directors will be elected by a plurality vote.

Pursuant to amendments made to the Corporate Governance Guidelines, the Board of Directors will only nominate candidates who prior to an annual meeting, tender their irrevocable resignations, which are effective only upon (i) the candidate not receiving the required vote at the next annual meeting at which they face reelection and (ii) the Board accepting the candidate's resignation. In the event that a director who has tendered his or her resignation does not receive a majority vote, then the Corporate Governance Guidelines provide that the Nominating/Corporate Governance Committee will act on an expedited basis to determine whether to accept the director's resignation and will submit its recommendation to the Board of Directors. In deciding whether to accept a director's resignation, the Board and the Nominating/Corporate Governance Committee may consider any factors that they deem relevant. The Corporate Governance Guidelines also provide that the Board expects that the director whose resignation is under consideration to abstain from the deliberation process. All candidates standing for re-election at this annual meeting have tendered such irrevocable resignations.

Director Independence

Listing standards relating to corporate governance promulgated by the NYSE require that the Board of Directors be comprised of a majority of independent directors. The Sarbanes-Oxley Act and rules of the

SEC require that the Audit Committee be comprised solely of independent directors. The NYSE standards further require that the Compensation and Nominating/Corporate Governance Committees also be comprised solely of independent directors. On the basis of information solicited from each director, and upon the advice and recommendation of the Nominating/Corporate Governance Committee, the Board of Directors has determined that six of its current eight directors have no material relationship with Beazer Homes other than their relationship as members of the Board and are independent within the meaning of the Sarbanes-Oxley Act and the NYSE standards. Those directors serving during fiscal 2006 determined to be independent were Messrs. Alpert, Leemputte, Solari, and Zelnak and Misses Bayne and O'Connell. In making these determinations, at the request of the Board, the Nominating/Corporate Governance Committee, with assistance from the Company's General Counsel, evaluated responses to an independence and qualification questionnaire completed annually by each director and follow up inquiries made to certain directors. The Nominating/Corporate Governance Committee made a recommendation that six directors be considered independent, which recommendation the Board subsequently discussed and adopted. The Board concluded that five of those six directors, Messrs. Alpert, Leemputte and Zelnak, and Misses Bayne and O'Connell had no relationship with Beazer Homes other than their relationship as members of the Board. In the case of Mr. Solari, the responses to the questionnaire indicated a potential relationship with two companies that provided some goods or services to Beazer Homes. In this case, based upon the most recent information available, the amount paid for goods and services represented less than one half of one percent of the both the providing companies' and Beazer Homes annual gross revenues. Accordingly, based upon the amount paid for the goods and services, the Board affirmatively determined that the relationship was not material either to Beazer Homes or to the other companies. Based on the foregoing, the Board of Directors of Beazer Homes had a majority of independent directors and each of the Audit, Nominating/Corporate Governance and Compensation committees of the Board during fiscal 2006 were comprised entirely of independent directors and it is expected that the majority of directors and all committee members in fiscal 2007, other than one member of the Finance Committee, as to which independence is not required for membership, will be independent as well. Accordingly, Beazer Homes was, in fiscal 2006, and continues to be in compliance with the requirements of the NYSE and the SEC for Board independence.

Regularly Scheduled Executive Sessions of Non-management Directors

In accordance with the NYSE standards, the Board of Directors has a policy of scheduling an executive session of non-management directors as a part of every regularly scheduled quarterly meeting of the Board of Directors. These non-management director meetings have been chaired by Mr. Beazer as Non-Executive Chairman of the Board. In addition, the Board holds at least one meeting annually at which the independent directors meet in executive session, to be chaired by a lead independent director. The lead independent director is nominated by the Nominating/Corporate Governance Committee for election by the independent directors. These provisions are included in the Corporate Governance Guidelines adopted by the Board, which are posted and available for viewing in the Investor Information section of the Beazer Homes web site at www.beazer.com. The independent directors held a meeting in February 2006 which was chaired by Mr. Alpert, who will serve as lead independent director until February 2007. It is the expectation of both the Nominating/Corporate Governance Committee and the independent directors that the position of lead director will rotate among the independent directors on an annual basis.

Ethics Hotline

The Company maintains an ethics hotline which interested parties may contact via the Company's website at www.beazer.com or by telephoning 1-800-383-0863. All messages go directly to the Company's Vice President, Audit & Controls, where they are reviewed and investigated as appropriate. Where

warranted after investigation, messages will be summarized and referred to the Audit Committee of the Company's Board of Directors for appropriate action.

Communications with Board Members

Stockholders and interested parties wishing to communicate directly with the Non-Executive Chairman or non-management directors as a group may do so by addressing their communications to the ethics hotline and specifically referencing them as communications for the Non-Executive Chairman or non-

management directors.

Committee Charters

The Board of Directors has adopted written charters for the Audit, Compensation and Nominating/Corporate Governance Committees designed to comply with the requirements of the NYSE standards and applicable provisions of the Sarbanes-Oxley Act and SEC rules. The current version of each charter has been posted and is available for public viewing in the Investor Information section of the Beazer Homes web site at www.beazer.com. In addition, committee charters are available in print to any stockholder upon request to Investor Relations, Beazer Homes USA, Inc., 1000 Abernathy Road Suite 1200, Atlanta, GA 30328.

Corporate Governance Guidelines

Upon the advice and recommendation of the Nominating/Corporate Governance Committee, the Board of Directors has adopted a set of Corporate Governance Guidelines. Those guidelines address an array of governance issues and principles including director qualifications and responsibilities, access to management personnel and independent advisors, director compensation, director orientation and continuing education, management succession, annual performance evaluations of the Board and meetings of independent directors. The guidelines also require that directors and designated senior officers of the Company achieve and maintain meaningful levels of stock ownership in the Company. In December 2006, the Board of Directors adopted amendments to the Corporate Governance Guidelines to provide for director resignations consistent with the new majority vote standard for director elections described above. The most recent version of Beazer Homes' Corporate Governance Guidelines are posted and available for public viewing in the Investor Information section of the Beazer Homes web site at www.beazer.com. In addition, the Corporate Governance Guidelines are available in print to any stockholder upon request to Investor Relations, Beazer Homes USA, Inc., 1000 Abernathy Road Suite 1200, Atlanta, GA 30328.

Code of Business Conduct and Ethics

The Board of Directors maintains a Code of Business Conduct and Ethics applicable to all directors, officers and employees. This Code of Business Conduct and Ethics has been designed to comply with the requirement for a code of business conduct and ethics under applicable NYSE standards. In addition, the Code of Business Conduct and Ethics constitutes a code of ethics applicable to senior financial officers and the chief executive officer within the meaning of the Sarbanes-Oxley Act and SEC rules. The current version of this Code of Business Conduct and Ethics is posted and available for public viewing in the Investor Information section of the Beazer Homes web site at www.beazer.com. In addition, the Code of Business Conduct and Ethics is available in print to any stockholder upon request to Investor Relations, Beazer Homes USA, Inc., 1000 Abernathy Road Suite 1200, Atlanta, GA 30328. Employees of Beazer Homes are also subject to additional specific policies, guidelines and Company rules adopted from time to time governing particular types of conduct or situations. Such additional policies, guidelines or rules are supplemental to the posted Code of Business Conduct and Ethics, and in the case of any inconsistency between the two, employees are expected to comply with the more restrictive standard.

Procedures Regarding Director Candidates Recommended by Stockholders

The Nominating/Corporate Governance Committee will consider candidates recommended for the Board of Directors by stockholders of the Company if the recommending stockholder or stockholders follows the procedures set forth in Article II, Section 14 of the Company's Amended and Restated Bylaws. The Bylaws provide that only persons nominated in accordance with the procedures set forth therein will be eligible to serve as directors. In order to recommend a nominee for a director position, a stockholder must be a stockholder of record at the time it gives its notice of recommendation and must be entitled to vote for the election of directors at the meeting at which such nominee will be considered. Stockholder recommendations must be made pursuant to notice delivered to or mailed and received at the principal offices of the Company (i) in the case of a nomination for election at an annual meeting, not less than 120 days nor more than 150 days prior to the first anniversary of the date of the Company's notice of annual meeting for the preceding year's annual meeting; and (ii) in the case of a special meeting at which directors are to be elected, not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure of the date was made. In the event that the date of the annual meeting is changed by more than 30 days from the anniversary date of the preceding year's annual meeting, the stockholder notice described above will be deemed timely if it is received not later than the close of business on the tenth day following the earlier of the date on which notice of the date of the meeting was mailed or public disclosure was made of the date.

The stockholder notice must set forth the following:

- As to each person the stockholder proposes to nominate for election as a director, (i) all information relating to such person that is required to be disclosed or is otherwise required pursuant to Regulation 14(a) under the Securities Exchange Act of 1934, as amended (the "Exchange Act") which must include the written consent of the nominee to serve as a director if elected, and (ii) a statement whether such person, if elected, intends to tender, promptly following such person's election or re-election, an irrevocable resignation which is effective only upon such person not receiving the required vote at the next annual meeting at which the person faces re-election and the Board of Directors accepting such person's resignation.
- As to the nominating stockholder, such stockholder's name and address as they appear on the Company's stockholder list, the class and number of shares of the Company's common stock which are beneficially owned by such stockholder and which are owned of record by such stockholder, and
- As to any other beneficial owner of the stock on whose behalf the nomination is made, the name and address of such person and the class and number of shares of the Company's common stock they beneficially own.

In addition to complying with the foregoing procedures, any stockholder nominating a director must also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder.

Pursuant to the Company's Corporate Governance Guidelines, the Nominating/Corporate Governance Committee is directed to work with the Board as a whole on an annual basis to determine the appropriate characteristics, skills and experience for each Board member and for the Board as a whole. In evaluating these issues, the Committee takes into account many factors, including the individual directors' general understanding of marketing, finance and other elements relevant to the success of a large publicly-traded company in today's business environment, understanding of the Company's business on an operational level, education or professional background and willingness to devote time to Board duties. Each individual is evaluated in the context of the Board as a whole, with the objective of recommending a group of nominees that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment based on diversity of experience in the various areas described.

To date, the Nominating/Corporate Governance Committee has not adopted a specific formal policy with respect to the consideration of director candidates recommended by stockholders and to date no director candidates have been recommended by stockholders. If a director candidate were to be recommended by a stockholder, the Nominating/Corporate Governance Committee expects that it would evaluate such candidate in the same manner it evaluates director candidates identified by the Committee.

Director Compensation

Non-employee Directors (excluding Brian C. Beazer): Non-employee directors other than Mr. Beazer received annual compensation of \$35,000 in fiscal 2006 for services to Beazer Homes as members of the Board of Directors. This annual compensation amount will remain the same for fiscal 2007. In addition, directors other than Mr. Beazer receive \$1,500 for each meeting or teleconference of the Board of Directors or any of its committees attended as well as for attendance at the annual meeting of stockholders and separate meetings of the independent directors. In addition, for fiscal 2006, all Committee Chairs received an annual fee of \$5,000 relating to their role as Chair. Committee Chairs, in addition to the payments described above, may also receive additional payments for meetings with the Non-Executive Chairman or other work in furtherance of their duties as Chair as approved from time to time by the Non-Executive Chairman. Directors may elect to defer receipt of up to 50% of their annual compensation under Beazer Homes' Director Stock Purchase Program. Deferred fees are represented by restricted stock units which vest over three years. For fiscal 2006, the number of units received was determined based on a 20% discount from the actual closing stock price of Beazer Homes' common stock on November 15, 2006. In addition, during fiscal 2006, the Board granted each of Messrs. Alpert, Leemputte, Solari and Zelnak and Misses Bayne and O'Connell 1,500 stock options and 1,500 shares of restricted stock pursuant to the Amended and Restated 1999 Stock Incentive Plan. All directors receive reimbursement for reasonable out-of-pocket expenses incurred by them in connection with participating in meetings of the Board of Directors and any committees thereof.

Brian C. Beazer: For fiscal year 2006, we paid our Non-Executive Chairman of the Board \$225,000 for services rendered. This amount will remain the same for fiscal year 2007. Mr. Beazer may elect to defer receipt of up to 50% of his compensation (up to the amount equal to the annual compensation fee paid to the other directors) under Beazer Homes' Director Stock Purchase Program. Deferred fees are represented by restricted stock units which vest over three years. For fiscal 2006, the number of units received was determined based on a 20% discount from the actual closing stock price of Beazer Homes' common stock on November 15, 2006. The Board has periodically granted Mr. Beazer stock options pursuant to the Amended and Restated 1999 Stock Incentive Plan and the Amended and Restated 1994 Stock Incentive Plan. Mr. Beazer was granted 2,490 stock options and 1,992 restricted shares during fiscal 2006. In addition, for fiscal 2006, the Company agreed to pay incentive compensation based on predetermined criteria relating to, among other things, the performance of the market price of Beazer Homes' common stock and the total return to Beazer Homes' stockholders relative to a selected peer group as well as additional criteria related to the Company's financial performance under the Executive Value Created Incentive Plan. Mr. Beazer received incentive compensation of \$316,605 for fiscal year 2006.

Other than described above, no director receives any compensation from Beazer Homes for services rendered as a director.

2. RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected the firm of Deloitte & Touche LLP to serve as our independent auditors for the fiscal year ending September 30, 2007. Deloitte & Touche LLP has served as independent auditors for Beazer Homes since our fiscal year ended September 30, 1996. The services provided to the Company by Deloitte & Touche LLP for the last fiscal year are described under

12

the caption "Principal Accounting Firm Fees" below. Stockholder approval of the appointment is not required. The Board believes that obtaining stockholder ratification of the appointment is a sound governance practice.

Representatives of Deloitte & Touche LLP will be present at the annual meeting, will have an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

Recommendation

We recommend a vote FOR the ratification of appointment of Deloitte & Touche LLP as independent auditors for the fiscal year ending September 30, 2007.

REPORT OF THE AUDIT COMMITTEE

For fiscal 2006, the Audit Committee operated under a written charter adopted by the Board of Directors. Each member of the Audit Committee is independent and financially literate in the judgment of our Board of Directors and as required by the Sarbanes-Oxley Act and applicable SEC and NYSE rules. The board has also determined that Ms. O'Connell and Mr. Leemputte are "audit committee financial experts," as defined under SEC regulations, and are independent of management of the Company. In addition, the written charter of the Audit Committee prohibits membership by any director who serves on the audit committee of three or more companies whose stock is publicly traded.

Management is responsible for our internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit Committee's responsibility is generally to monitor and oversee these processes, as described in the Audit Committee Charter.

The Audit Committee reviewed and discussed with Company management the audited financial statements of Beazer Homes for the fiscal year ended September 30, 2006. The Audit Committee has discussed with its independent auditors, Deloitte & Touche LLP, the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee has also received a letter from Deloitte & Touche LLP required by Independence Standards Board Statement No. 1 (Independence Discussion with Audit Committees) and discussed with Deloitte & Touche LLP their independence.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2006 for filing with the Securities and Exchange Commission.

The Audit Committee has considered whether the provision of the non-audit services described below by Deloitte & Touche LLP is compatible with maintaining the independent auditor's independence and has concluded that the provision of these services does not compromise such independence.

EXECUTIVE COMPENSATION

Report of the Compensation Committee

The Compensation Committee administers our Amended and Restated 1999 Stock Incentive Plan, and the Executive Value Created Incentive Plan, as well as any other bonus or incentive compensation plans. This committee also establishes performance goals and criteria, evaluates performance and approves the compensation of the Chief Executive Officer based in part on the evaluation by the non-executive Chairman, and other key executives, based in part on the evaluation by the Chief Executive Officer. This committee also recommends the Non-Executive Chairman's compensation arrangement to the Board.

Since December 2003, the Compensation Committee has consisted of Messrs. Solari and Zelnak and Ms. Bayne, all of whom the Board has determined to be independent as defined by the NYSE. Since October 1, 2002, this committee has been chaired by Mr. Solari.

The Compensation Committee is accountable to the Board of Directors for developing, monitoring and managing the executive compensation programs of the Company. More specifically, it administers cash-based compensation programs and equity-based incentives for all members of senior management, which includes all of the Named Executives. This committee consults with Watson Wyatt and PriceWaterhouseCoopers, independent consultants, respectively regarding executive compensation and executive employment agreements. Furthermore, during fiscal 2006, the committee engaged Sullivan and Cromwell as independent legal counsel to the committee.

Our executive compensation programs have been aligned with the Compensation Committee's beliefs that:

1. Base salaries generally should be at the median for similar positions in the homebuilding industry;
2. Annual incentive opportunities should represent a significant portion of total cash compensation for executives, and provide meaningful downside risk and upside opportunity for variations in performance from budgets and relative to our peers; and
3. Stock incentives should include executive ownership of our equity as well as ownership of stock options in order to link executives' rewards directly with stockholders' risks and opportunities.

It is the Compensation Committee's further belief that managing a compensation program around these principles will place executives' and stockholders' interests together and enhance the financial returns to our stockholders relative to the group of comparable homebuilding companies (the "Peer Group"), consisting of Centex, D.R. Horton, K. Hovnanian, KB Home, Lennar, MDC, NVR, Pulte Homes, Ryland Group, and Toll Brothers. Each component of compensation is described more fully below.

Base Salary

Base salaries for executives in 2006 were determined by the Compensation Committee based on comparisons of industry salary practices for positions of similar responsibilities and size, additional elements of the executives' total compensation, and on individual and business unit performance as presented by the Compensation Committee's Chairman, Mr. Solari, based upon input from the Non-Executive Chairman and the Chief Executive Officer, other than for themselves and, in certain cases, in consultation with Watson Wyatt. As a result, effective January 2006, the Compensation Committee approved increased base salaries for Messrs. Gary and Rand of 5.3% and 5.2% respectively. Base salaries for Messrs. McCarthy, Furlow and O'Leary remained at the same levels from the prior year.

Annual Incentives—The Executive Value Created Incentive Plan

We pay incentive compensation to our senior corporate executives under the Executive Value Created Incentive Plan or Executive VCIP. The awards under this Plan are made based upon Beazer Homes and our operating divisions making operating profit in excess of our cost of capital. The amount of operating profit in excess of cost of capital is referred to as *Value Created*.

Employees participating in the Executive VCIP each year are paid a set percentage of *Value Created* (if positive) and a set percentage of the increase in *Value Created* over the prior year (if positive), referred to as *Incremental Value Created*. The percentage of *Value Created* is determined on a graduated scale which decreases as *Value Created* increases. The percentage of *Incremental Value Created* is fixed regardless of the level of *Value Created*. Exact percentages are determined by the participant's position. In addition, the same percentages of *Value Created* and *Incremental Value Created* (whether positive or negative) are put into a bank, which is always at risk, may be paid out over three years, and can be reduced by future negative performance. The Committee intends to review the Executive VCIP for potential changes at least every three years and reserves the right to amend it for any fiscal year prior to the commencement of such fiscal year.

On September 27, 2006, the Committee established a floor of one-half of an employee's salary for purposes of annual opening bank balances under the Company's Executive Value Created Incentive Plan for fiscal year 2007 and future years. At the end of each fiscal year, 10% of any positive ending bank, after current year adjustments, cash payments and any reduction for excess over the maximum limit specified in the Plan will be awarded as deferred compensation. Such deferred compensation will vest three years after the end of the fiscal year and is forfeited upon severance, resignation, retirement, death or termination for any reason before vesting.

Based upon our fiscal 2006 financial performance, incentive amounts earned under the Executive VCIP in fiscal 2006, including compensation that was deferred under the plan, were \$7,133,653 to Mr. McCarthy and an aggregate of \$5,688,776 to the other Named Executives. These amounts include deferred amounts of \$1,426,704, \$683,166 and \$58,487 for Messrs. McCarthy, O'Leary and Rand, respectively, which was deposited into a bookkeeping account (the "Account") as restricted stock units ("RSUs") issuable at the earliest in three years, under our Amended and Restated Corporate Management Stock Purchase Program ("CMSPP"). The number of shares represented by these RSUs, 60,950, is based upon a stock price of \$35.58 per share, which is a 20% discount from the actual closing stock price (\$44.47 per share) at November 15, 2006, the award date.

Annual Incentives—Discretionary Bonus Awards

On September 27, 2006, the Compensation Committee approved the establishment of a discretionary bonus plan for certain of the Company's employees, including executive officers. Discretionary bonus awards may be granted to participants for fiscal year 2007 and future fiscal years based on the achievement of certain performance targets established by the Committee, which will relate to, without limitation, reductions in selling, general and administrative expenses, enhancements to liquidity, revenue, EBIT and safety records, customer relations and environmental compliance. The Committee established a sub-committee comprised of the Chairman of the Committee, the Chairman of the Board of Directors and the Chief Executive Officer to review employee performance for purposes of the Plan and recommend bonus awards to the Committee.

Annual Incentives—The Corporate Management Stock Purchase Program

In order to promote ownership of our stock by key executives, we maintain the Corporate Management Stock Purchase Program or CMSPP. Under the CMSPP, certain key executives may, at their option, have a portion of their bonuses deposited into an Account as RSUs representing shares of our

common stock. The number of RSUs deposited is determined based on a per share price calculated at a 20% discount from the closing stock price of our common stock on the date of award. Shares represented by RSUs are issuable at the earliest in three years from the date of award, subject to vesting requirements; until issued the shares cannot be sold, assigned, pledged or encumbered.

Equity-based Incentives

We utilize three equity-based, longer-term incentive programs: stock options, restricted stock, and long-term performance-based stock compensation. Prior to May 2003, we also utilized performance accelerated restricted stock ("PARS"). Currently, grants of stock options, restricted stock and performance-based stock are generally not made more often than annually. Interim grants are made from time to time for new executive appointments. The Company currently anticipates that, commencing in fiscal year 2007, it will grant stock-settled appreciation rights ("SSARS") in lieu of granting stock options.

On February 2, 2006, the Committee approved long-term stock incentive grants for Messrs. McCarthy, Furlow, O'Leary and Gary pursuant to the Company's Amended and Restated 1999 Stock Incentive Plan. These long-term stock incentive grants were approved to ensure the retention of these executives and to more fully align their interests with those of stockholders by rewarding them for relative and absolute performance of the Company's stock from 2006 onward. These long-term stock incentive grants consisted of:

Long-term performance-based stock compensation (“performance-based shares” or “PSP”): Performance-based shares represent grants of restricted stock with vesting contingent upon the achievement of certain performance criteria based on Beazer Homes’ total shareholder return, as defined by the award agreements, as compared to the total shareholder return of the defined peer group. One-third of the aggregate number of shares granted as PSP to each of Messrs. McCarthy, Furlow, O’Leary and Gary will be eligible to vest depending on performance as of each of December 31, 2008, December 31, 2009 and December 31, 2010 (the “Performance Dates”). Depending on the level of performance achieved, as measured by the performance criteria, between 0% and 150% of shares then eligible for vesting on the Performance Date will vest. Upon termination of employment other than for cause or voluntary resignation, a portion of the PSP shares will vest, depending on length of service since the grant date.

Restricted Stock and Stock Options: Stock options were also granted to the Messrs. McCarthy, Furlow, O’Leary and Gary with exercise prices equal to 100% of the fair market value of Beazer Home’s common stock on the date of grant. These stock options vest ratably over a three-year period beginning in 2009 and expire seven years after the date of grant. Each of these executives also received a grant of time-based restricted stock. Each year beginning in 2011, the restrictions on one-third of these restricted shares will lapse subject to continued employment. Upon termination of employment other than for cause or voluntary resignation, a portion of the stock options and restricted shares will vest, depending on length of service since the grant date.

During fiscal year 2006, an aggregate of 934,010 stock options were granted to members of our management, of which 85% were granted to the Named Executives. During fiscal year 2006, an aggregate of 234,846 restricted shares were granted to members of our management, of which 86% were granted to the Named Executives and 144,755 shares of performance-based stock were granted, all to Named Executives.

Executives who resign from Beazer, or are terminated for cause before grants are vested, forfeit their unvested options, restricted shares, performance-based shares or PARS.

Stock options are granted with exercise prices equal to 100% of fair market value of the common stock on the date of grant, fully vest after three years from grant (except in the case of February 2006 stock option grant to the four executives as described above) and expire seven years after grant (ten years for

options granted prior to May 2003). Grants of restricted shares are restricted from sale and subject to forfeiture for five years from grant (except in the case of the February 2006 stock option grant to the four executives as described above). PARS are restricted from sale and subject to forfeiture for seven years from grant, provided, however, that if our stock price appreciation and dividend payments, if any, reach certain targeted goals, the restrictions can lapse as early as three years (50%) and four years (50%) from the date of grant.

Grants of stock options, restricted stock and performance-based stock are in part based on evaluations by the non-executive Chairman and the Chief Executive Officer, other than for themselves, and the Compensation Committee’s taking account of past award histories and its assessment of competitive practice. The Amended and Restated 1999 Stock Incentive Plan contains a prohibition on re-pricing options without stockholder approval.

Deferred Compensation Plan

Effective January 1, 2002, we adopted the Beazer Homes USA, Inc. Deferred Compensation Plan (the “Plan”) to provide eligible employees the opportunity to defer receipt of current compensation. The amount of compensation deferred by participants in the Plan is determined based on elections by the Plan participants and paid in accordance with the terms of the Plan. In addition, contributions, which vest after three years, are made to the Plan under the Executive VCIP. For fiscal 2006, we provided contributions under the Executive VCIP and matching cash contributions equal to the lesser of 50% of compensation deferred under the Plan or 3% of eligible compensation, reduced by the matching contributions credited to the participant under our 401(k) Savings Plan. Our total contributions were \$8.8 million during fiscal 2006, which included \$1,366,691 for the Named Executives. The amount of deferred compensation for the Named Executives included discretionary lump sums in lieu of matching contributions for Messrs. McCarthy, Furlow, O’Leary of \$200,000, \$100,000, and \$50,000, respectively as well as contributions of 10% of fiscal year 2005 ending bank balances under the Executive VCIP for Messrs. McCarthy, Furlow, O’Leary, Gary and Rand of \$529,752, \$270,517, \$144,435, \$30,955 and \$34,970, respectively. Deferred amounts and Company contributions are deposited in a trust that qualifies as a grantor trust under the Internal Revenue Code of 1986, as amended. The funds are invested in individual participant life insurance contracts. We own these contracts and are the sole beneficiary. Participants elect investments for their deferrals and matching contributions from a variety of benchmark funds. The return on the underlying investments determines the amount of earnings and losses that are credited or debited to the participants’ account. Amounts deferred and earnings and losses thereon are 100% vested. For fiscal 2006, the Company contributions and earnings and losses thereon vest on the same schedule as our 401(k) Savings Plan. Our obligations under the Plan are unsecured general obligations and rank equally with our other unsecured general creditors.

Chief Executive Officer Compensation

In determining Mr. McCarthy’s compensation, the Committee considers our financial and non-financial performance, as well as an analysis of Mr. McCarthy’s total compensation in relation to other chief executive officers in our homebuilding industry Peer Group. Based upon salary compensation of Chief Executive Officers in our Peer Group derived from publicly available data for the homebuilding industry, Mr. McCarthy’s individual performance, and other elements of his total compensation, the Compensation Committee maintained Mr. McCarthy’s annual salary effective January 2006 at \$1,200,000.

Under the Executive VCIP, Mr. McCarthy receives a set percentage each of *Value Created*, determined on a graduated scale which decreases as *Value Created* increases and *Incremental Value Created* which is fixed regardless of the level of *Value Created*, as a bonus and has the same percentages put into his bank. Based upon our financial performance in fiscal year 2006, Mr. McCarthy received \$7,133,653 under

the VCIP and his ending bank balance is \$5,275,870, which is always at risk, may be paid out over three years, and can be reduced by future negative performance.

Tax Deductibility of Compensation

It is the Committee’s general policy to consider whether particular payments and awards are deductible to Beazer Homes for Federal income tax purposes, along with other factors, which may be relevant in setting executive compensation practices. The Internal Revenue Service limits the deductibility for Federal income tax purposes of executive compensation payments in excess of \$1 million subject to certain exemptions and exceptions.

Employment Agreements

On September 1, 2004, Beazer Homes entered into amended and restated employment agreements (the "Employment Agreements") with each of the following Named Executives: Ian J. McCarthy, Michael H. Furlow, James O'Leary, and Michael T. Rand. On March 14, 2005, Beazer Homes entered into an employment agreement with Kenneth J. Gary. The Employment Agreements set forth the basic terms of employment for each Executive, including base salary, bonus and benefits, including benefits to which each Executive is entitled if his employment is terminated for various reasons.

The Employment Agreement between the Company and Mr. McCarthy is effective for a three year period. The Employment Agreements between the Company and Messrs. Furlow, O'Leary and Gary are each effective for a two year period. The Employment Agreement between the Company and Mr. Rand is effective for a one year period. Each Employment Agreement will be extended for successive one year periods unless earlier terminated by the Company or the Executive or otherwise terminated in accordance with the respective Employment Agreement. On February 2, 2006, the Committee approved amendments to each of the Employment Agreements (the "First Amendments"). The First Amendments modify the existing Employment Agreements to conform the non-competition provisions in the agreements to the non-competition provisions in the amended Supplemental Employment Agreements described below.

Generally, if the Executive's employment is terminated by the Company for "cause" (as defined in the Employment Agreements) or as a result of the Executive's death or disability, the Executive will be entitled to receive an amount equal to his base salary through the effective date of termination, and all other amounts to which the Executive may be entitled under his Employment Agreement to the effective date of termination, including bonus amounts (for the termination reasons described, other than for "cause"), which will be prorated to the date of termination.

In the event an Executive's employment is terminated by the Company other than for cause (or in the case of Mr. McCarthy, terminated by the executive for good reason), the Executive will be entitled to receive an amount equal to the sum of (1) Executive's annual base salary, and (2) the average annual bonus for the severance period, as defined in each Executive's Employment Agreement. Executives also continue to participate in the Company's benefit plans during the severance period (i) of three years from the date of termination for Mr. McCarthy, (ii) of two years from the date of termination for Messrs. Furlow, O'Leary and Gary and (iii) of one year from the date of termination for Mr. Rand.

25

Supplemental Employment Agreements

On September 1, 2004, each of Mr. McCarthy, Mr. Furlow, Mr. O'Leary, and Mr. Rand, and on March 14, 2005, Mr. Gary, entered into a supplemental employment agreement (the "Supplemental Employment Agreements") which supersedes the terms and provisions of such Named Executive's Employment

Agreement in the event of a Change of Control (as defined in the Supplemental Employment Agreement). The Supplemental Employment Agreements automatically renew every year for a successive two-year period unless earlier terminated by the Company and the Executive or otherwise terminated in accordance with the respective terms of the Supplemental Employment Agreement.

Pursuant to the Supplemental Employment Agreements, the Company will continue to employ the Executive for a period of two years from the date the Change of Control occurs (the "Effective Date"). On February 2, 2006, the Compensation Committee approved amendments to the supplemental employment agreements (the "Amended Agreements") of the Named Executives to provide that in the event a change of control occurs and an executive terminates his or her employment for good cause or is terminated by the company other than for cause, then the executive will be entitled to a payment equal to the stated multiple times the sum of the executive's annual base salary and the highest annual bonus (rather than the average annual bonus provided in the former supplemental employment agreements) paid to the executive during the preceding three full fiscal years.

The Amended Agreements also provide that the executive may terminate his employment during the 30-day period following the six-month anniversary (rather than the one-year anniversary provided in the former supplemental employment agreements) of a change of control, and such termination will be deemed to be termination for good reason. If the executive terminates his employment pursuant to the good reason termination provision, then the executive will be subject to certain non-compete and non-solicitation restrictions for a period of one year following the termination of the executive's employment. The former supplemental employment agreements did not contain non-compete and non-solicitation restrictions.

Subsequent to a Change of Control, if the Executive's employment is terminated by the Company for cause, the Executive will be entitled to receive an amount equal to the portion of his Annual Base Salary accrued through the effective date of termination and any compensation previously deferred and all other payments to which the Executive may be entitled under his Supplemental Employment Agreement.

Subsequent to a Change of Control, if the Executive's employment is terminated by Beazer Homes as a result of the Executive's death or disability, or by the Executive for a reason other than a Good Reason (as defined in the Supplemental Employment Agreements), the Executive will be entitled to receive an amount equal to the portion of his Annual Base Salary and Annual Bonus accrued through the effective date of termination and any compensation previously deferred (the "Accrued Obligations") and all other amounts to which the Executive may be entitled under his Supplemental Employment Agreement.

Subsequent to a Change of Control, if the Executive's employment is terminated by the Company for any reason other than for cause or as a result of the Executive's death or disability, or by the Executive for Good Reason, the Executive shall be entitled to receive an amount equal to the sum of (i) the Accrued Obligations; (ii) the product of (A) a multiple ranging from 1.5 to 3.0 and (B) the sum of his Annual Base Salary and Average Annual Bonus; and (iii) all other amounts to which the Executive may be entitled under his Supplemental Employment Agreement. In addition, the Company must provide the Executive and his family certain benefits for a period ranging from eighteen months to three years following the effective date of termination. The Supplemental Employment Agreements of Messrs. McCarthy, Furlow and O'Leary and Gary provide that a termination by the Executive for any reason during the 30 day period immediately following the six-month anniversary of the Effective Date shall be deemed to be a termination for Good Reason.

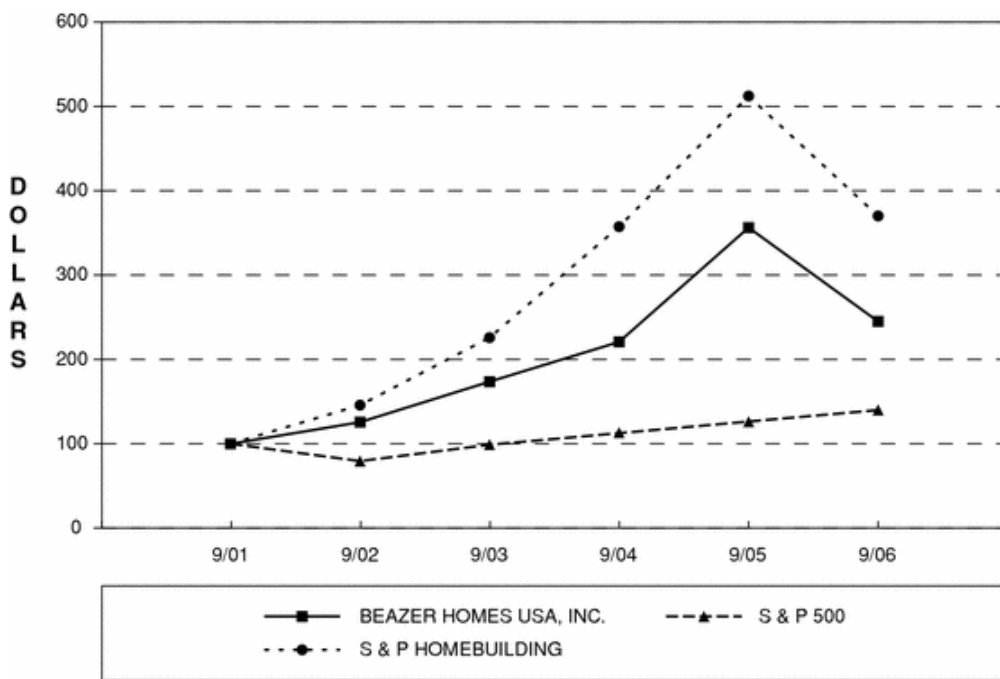

Based on compensation levels in effect as of September 30, 2006, the Compensation Committee estimates that the aggregate incremental cost to the Company for cash severance and benefits prior to any tax-related impact would be approximately \$48 million if the termination provisions of each of the Employment Agreements for the Named Executives were triggered. In addition, the Company's equity compensation plans provide that outstanding grants under the plans shall become fully vested in the event of a Change in Control.

PricewaterhouseCoopers LLP, Consultants and Sullivan and Cromwell served as advisors to the Compensation Committee of the Company's Board of Directors in establishing the terms of the Employment Agreements, the Supplemental Employment Agreements and amendments thereof. PricewaterhouseCoopers concluded that the agreements are reasonable in terms of both comparability to competitive practice and advancement of stockholder interests.
